# A Message From AG

With offices in Seattle, New York, Tokyo, Osaka and London, AG continues to expand its export operations on a world-wide scale.

Our new Harie Fun Felt Collage Art Kits are filled with wonderful imagination-inspiring craft supplies. Fun Felt is ideal for hobby, craft and educational toy departments. This product teaches colors, shapes and creates a sincere interest in art for all ages.

The AG Cup Racer sailboats are now the talk of model enthusiasts. This is definitely a "Toy for Big Boys." The Cup Racer 914 is now a one class design issued by the AMYA and this boat had only been on the market for less than a year.

Our Whitewings Excellent Gliders continue to be best sellers. AG continues to add to its full product line of glider kits by producing six new kits. We are currently planning on additional new kits for the future. Whitewings have proven that they are superior in design and performance, helping us soar into the 21st century.

We strive to acquire and create only the best products worldwide. Our commitment to quality and customer service is the foundation on which we grow. We hope you'll grow with us!
